(2nd Revision)

ISSUED BY THE COMPETENT AUTHORITY OF THE UNITED STATES

EXPIRATION DATE: March 31, 2026

1. **APPROVAL HOLDER:** Ingenieria Semasa, S.A.
C/Amsterdam 81,
Torres de la Alameda
Madrid, 28813 Spain

2. **REGULATORY AUTHORITY:** 49 CFR § 180.213 (d) (1)

3. **SYNOPSIS:** Ingenieria Semasa, S.A. is authorized a variation from the marking requirements in accordance with §180.213(d) (1), for requalified cylinders: 3A, 3AA, 3AL, 3HT, 4D, 4DA, 4DS and Special Permit(s): 6071, 7218, 7235, 7277, 7945, 8162, 8391, 8439, 8495, 9894, 10440, 10915, 10945, 11194, 12955, 7026, 8718 and 14372.

4. **BASIS:** This approval is issued in response to Ingenieria Semasa, S.A.'s application dated May 3, 2021, requesting to add **4DS, 4DA and Special Permits: 8495 and 7945** to their variation from marking requirements in accordance with 49 CFR 180.213(d) (1), asking to reduce the size of the date on the RIN stamp from 1/4" to 1/8".

5. **PERIOD OF VALIDITY AND CONDITIONS OF APPROVAL:** This approval does not provide relief from any requirements of the Hazardous Materials Regulations except as stated herein. This approval is valid until the posted expiration date or until terminated by the Associate Administrator for Hazardous Materials Safety.
 - a. Each label must show the required requalification markings as demonstrated by the applicant's sample submitted with the application.

- b. Any cylinder with a label that is damaged, destroyed or missing, must be retested before a new label may be affixed.

6. **SPECIAL PROVISIONS:**

- a. A current copy of this approval must be maintained and made available for examination at each location where materials are packaged and offered for transportation.
- b. Any person who offers for transportation or transports the above-described package(s) may do so under the authority of this approval if all requirements and conditions of this approval are met.
- c. Any person who receives a package covered by this approval may reoffer it for transportation provided no modifications or changes are made to the package and it is reoffered for transportation in conformance with this approval.

7. **GENERAL PROVISIONS:**

- a. Failure by any person to comply with the terms and conditions of this approval and the Hazardous Materials Regulations, 49 CFR Parts 171-180, may result in the modification, suspension or termination of that person's authority to use this approval. Failure to comply may also subject that person to penalties prescribed by 49 U.S.C. §§ 5123 and 5124. This approval may be modified, suspended or terminated in its entirety if that action is justified in light of changes in circumstances or additional information not available when this approval was issued. Unless immediate modification, suspension or termination is necessary to avoid a risk of significant harm to persons or property, before action is taken, that person will be notified and provided with an opportunity to show why the proposed action should not be taken.
- b. Each "Hazmat employee," as defined in § 171.8, who performs a function subject to this approval must be provided training on the requirements and conditions of this approval in addition to the training required by §§ 172.700 through 172.704.

c. Any person operating under the terms of this approval must comply with the security plan requirement in Subpart I of Part 172 of the HMR, when applicable.

d. This approval, as revised, supersedes all previous versions.
